Miss Whitton and other staff will be uploading more information onto the 'Kite Class' page and the 'our home learning' pages on the school website. Please look on there for any further information or email Miss Whitton if you have any questions.

Project Task

Every day this week, we will be taking part in a different project.

Today's Project: Research different board games and how they work.

Then, design your own board game, thinking about the rules and scoring system. Create the game, then write down the instructions. If you have time, give the game a go to see if it works.
